

SETANTA

SCHOOL

Newsletter March 2019

Message from the Principal

Tolmac Construction have won the tender for the building works in St. Peter's School, Limekiln Road, Dublin 12, and will be starting work there shortly. There is about six months work to be done there, including renovations, upgrading the heating system, installing a lift and installing portacabins, after which Setanta School will move to St. Peter's School for at least 18 months while new school buildings are constructed on our current site in Stillorgan.

Audrey from Dogs Trust Ireland visited Setanta on Monday last with her dog Lucy Oand spoke to students from several classes. Photos enclosed.

Congratulations to Ana, SNA in Setanta, on the birth of her son Isaac.

The birthdays that we celebrated in March were Ciaran Murray 18, Cillian Brennan 18, Will Fitzgerald 16, David Somers 15, Karl Harris 14, Samad Giwa 14, Cuinn Stephens 14 and Seán Heffernan 13.

Setanta School Parents Association News

If there is anybody considering doing the mini marathon for Setanta this year, sponsorship cards are available from the P.A. Text Geraldine (0879714899) if you are interested.

The copper coin collection continues to be a great success, please keep sending your coins in!

Thank you for your continued support.

Regards,
Setanta PA.
